A MESSAGE FROM THE TYBA CHAIRMAN

Welcome to the first-ever **Thailand Charter Week**, hosted by Phuket Yacht Haven in the north of this amazing island. The week will also include several days cruising around Phuket and the stunning islands and scenery surrounding it.

I'd like to say what an honour it is to have the Tourism Authority of Thailand as a Supporting Sponsor. It's also very fitting, as we're confident the six-day show will shine a positive spotlight on the country's incredible cruising grounds and yachting infrastructure.

The Thailand Charter Week is Asia's first international charter show for industry professionals only, a 'B2B' event for charter brokers, central agents, luxury travel agents and tour operators to meet local agencies and discover leading charter yachts operating in Thailand and the rest of Southeast Asia.

Since we announced the event, we've been delighted with the support for the event and the enthusiasm from all participants in what is a first for Asia, our bid to emulate fantastic charter events in the Mediterranean and Caribbean.

The line-up of boats has grown steadily and as of early November, leading yachts participating included the iconic 41.3m Ocean Emerald, designed by Lord Norman Foster, which still looks as futuristic as it did when it was launched.

Other yachts over 100ft include the 32.2m Demarest and 31.5m Aveline, while the 31.6m Sparkman & Stephens-designed Silverlining is the biggest sailing yacht in the line-up.

Motor yachts include the 29.5m Lady Eileen II, the 29.5m Mia Kai, the 27m Ajao, 27m Maha Bhetra, 25m Mirage, 23m Maxxx, 22m Chowa, 21m Aria Blue, 20m L'Orientale, 18m Mayavee, 18m Shard 2, 17m Pillars Spirit and 15m Sea Princess.

Sailing catamarans include the 19m Jyohana, 16m Blue Moon and 15m Moorings 4800

Companies exhibiting on land include Sevenstar Yacht Transport, Southeast Asia Pilot, Yacht Sourcing, Corsair Marine/Seawind Catamarans, Port Takola Yacht Marina, Zodiac ribs and Advance Yachting.

We have a full calendar of events for the show, including some great trips into the beautiful areas surrounding Phuket, and are confident that this first edition will prove a success. Thank you for your support and, in time, your feedback. Enjoy Thailand

MATTHEW NA NAGARA,
Chairman, Thai Yachting Business Association
